

Spring special project of "Oleina" in partnership with NV.ua - "Holiday flavors: from Easter to barbecue"

22.06.2023 Press release

The «Oleina» brand together with the leading Ukrainian media New Voice prepared a series of publications devoted to spring holidays to remind that life goes on despite all difficulties and to inspire readers to create an atmosphere of a home holiday and share warmth with loved ones. [Read the article](#)

The project includes three articles with thematic recipes and tips for inspiration and creating a festive table and meetings with loved ones – so get inspired and cook with us.

1. "Easter will soon be here" – an exciting and delicious journey through an overview of Easter traditions and unique recipes of paska from different regions of Ukraine. [Read the article](#)
2. How to rethink the leftovers of paska and give them a "second life" in new dishes... we have prepared 5 creative and very tasty recipes to "give a second life to leftovers of paska". [Read the article](#)
3. How to impress guests with a delicious barbecue – tips and inspiration in 5 recipes for marinades for grilling. [Read the article](#)

Oleina, we cook with love.
