

Easter special project "Oleina" in partnership with ELLE.ua

22.06.2023 Press release

Delicious Pascha, a cozy family atmosphere and an Easter table are important attributes of the Holiday. In Ukraine, since ancient times, preparation for Easter was considered a sacrament, and the process was approached with great trepidation. We have prepared for you a collection of modern, traditional, and even European recipes for pasta and sauces for the Easter table, so that you can surprise and delight your loved ones. [Read the article](#)

1. We have collected for you a collection of modern and traditional paska recipes. [Read the article](#)

2. The famous Ukrainian blogger, confectioner and Master Chef finalist Liza Glinska shared 8 life hacks for baking paska and a recipe for an incredibly delicious panettone (similar to our paska in the Italian manner). [Read the article](#)

3. A selection of recipes for 6 sauces that will turn your dishes into culinary masterpieces, will be useful for any table. [Read the article](#)

4. A rational attitude towards leftover food is currently a trend not only in Ukraine, but also in the world. In this material, you will find 5 original and tasty recipes for cooking dishes from stale pasta. [Read the article](#)

Oleina, we cook with love.
